which is not considered one of the Mysore Colleges The Principal now states that last year a Scholarship was sanctioned to V Gopalaramii who passed the FA Exam from the St Joseph's College and joined the B.A class of the Central College This fact was already taken into consideration when the Scholarship to Frances Navroor was refused (Vide note to the file placed below).

Mr book states that he promised a Scholarship to this Student and had it not been for this promise he would not have joined the Central College He therefore requests that a Scholarship may be sanctioned to Navroor as was granted to Gopalasami last year and that in future the Students of the St Joseph's College may be excluded from this privilege

To

General & Revenue Departments

Sir,

With reference to Government Order No 8769-71/Ed(242-04)-3 dated 25th March 1905, I have the honor to state that para 3 of the Order to the effect that the recommendation of the Principal of the Central College for the grant of a Special Scholarship to Xavier Francis, who passed the F A Examination of December 1904 in the First Class from the St Joseph's College in the Civil & Military Station of Bangalore cannot be sanctioned under the rules in force" is not in consonance with the grant of a Special Scholarship last year to V Gopalaswami who passed his F A Examination in the First Class from the same College

Of course St Joseph's College is not one of the Mysore Colleges in the strictest sense of the term, though it is included among the Mysore Colleges in the Syndicate's yearly statistics of the University Examination results I should not therefore think of requesting a scholarship for a St Joseph's College boy who passed the Matriculation in the First Class and wished to study in the Central College for the F A , because St Joseph's College has its own F A classes But for the B A Classes it is different as St Joseph's College is not a First Grade one; and I hope therefore that , as the Mysore Government's liberality in granting a Special Scholarship extended to V Gopalaswami last year, the same liberality may also be extended to Xavier Francis this year

After the declaration of the F A results the Principal of the St Joseph's College asked me whether there was any likelihood of Xavier Francis getting a Special Scholarship, assuring me that he

was a highly promising student I said that I believed the Mysore Government would do as they had done last year and grant him a Special Scholarship, especially seeing that there was no demand for such Scholarships for the F A classes

On the strength of the above statement the boy joined the Junior B A class which he would not otherwise have done

In these circumstances I would request that Government may be good enough to grant Xavier Francis the same privilege as was granted to V Gopalaswami last year, and that it may be distinctly laid down that (if such is the wish of His Highness the Maharaja's Government) St Joseph's College be excluded in future from this privilege

I have the honor to be,

Sir,

Your most obedient servant,

Woods
